

RENTAL ASSISTANCE FOR WACO RESIDENTS

The McLennan County Emergency Rental Assistance Program (MCERA) is now accepting applications to assist residents with rental payments to help families-in-crisis who have been affected by reduction in income, incurred significant costs, or other financial hardship due, directly or indirectly, to COVID-19.

To avoid an eviction, the MCERA Program will assist families with rental assistance limited to 12 months. Assistance includes help for families who qualify and meet income guidelines established by the U. S. Department of the Treasury with rental and utility assistance to prevent and avoid evictions and homelessness.
